diveracata 'Clouds of Perfume'- This woodland phlox has light blue fragrant flowers late April -early May. 6"

d. 'London Grove Blue'- Fragrant blue flowers over compact, spreading foliage in spring. Great shade groundcover.

glaberrima 'Morris Berd'- Clusters of rose-pink flowers with whitecenters for 6-8 weeks ,late spring-early summer. Mildew free. 10-12"

maculata'Natasha'-24" rose-pink and white bi-color, June-Aug. Very mildew resistant.

p. 'David'- very fragrant white flowers, highly mildew resistant. 42."

p. 'Delta Snow'-Short to med. ht., white flowers with purple eyes and clean foliage.

p. 'Laura'- Purple flowers with white center and darker eye,compact habit. 32"

p. 'Blue Paradise'- Brilliant blue flowers with dark eye in July-Aug.

p. 'Lord Clayton'-Unique, cherry-red flowers form late June-Sept. Foliage emerges a deep purple with lime green stems, later changing to deep purple-green. 2-3'

p. 'Robert Poore'- 4-5' plant with clean foliage. Medium to dark pink fragrant blooms summer into fall.

s 'HomeFires'- Deep pink,very fragrant..

s. 'St. Osborne's White'- Large pure white flowers.

s. 'Fran's Purple'- masses of purple flowers in spring .

s. 'Sherwood Purple'-Clear purple, 6-10"

subulata - white, pink and blue

PHYSOSTEGIA- Obedient Plant (S,PS)

virginiana 'Miss Manners'- Well behaved, non spreading habit White flowers, June-Sept.18-24"

v. 'Variegata'- brightly variegated foliage with lilac-pink flowers, late summer.

PLATYCODON- Balloon Flower (S, PS)

'Early Sentimental Blue'-6-8" dwarf form.

g.' Fuji Blue'- 20", deep blue.

g. 'Fuji White'- 20-28" Pure white.

POLEMONIUM -Jacob's Ladder (S, PS)

reptans 'Stairway to Heaven'- Stunning cream and green variegated foliage with intense blue flowers in May-June. 12"

'Touch of Class'- Sport of 'Stairway to Heaven' with consistent white variegation.

POLYGONATUM- Solomon's Seal (PS,SH)

falcatum 'Variegatum'- White edged leaves, creamy white flowers.

PULMONARIA - Lungwort (PS,SH)

'Diane Clare'- From Cotswold Garden in England, this plant has mostly silver leaves with green edges and some green spots near edges. Does not need cutting back after flowering. 8-10"

longifolia 'Majeste'- Solid silver-gray foliage; blue pink flowers. Very heat tolerant.

'Raspberry Splash'- Raspberry-pink flowers and dark green, silver-spotted foliage.

RODGERSIA -Rodger's Flower (PS, SH)

aesculifolia- 4', ivory to pinkish spikes above bronze leaves.

RUDBECKIA - Coneflower (Sun)

fulgida 'Goldsturm'-Black-eyed Susan blooms all summer. 40-48"

f. var. fulgida- Smaller and finer than 'Goldsturm' & longer flowering. July-Oct.

maxima- Huge powder blue leaves with gold flowers in June-July Prefers deep, moist soil. 6-7' NEW

nitida 'Herbstonne'- ('Autumn Sun) Golden yellow flowers on 7' stems, mid-late summer

SALVIA - Meadow Sage (Sun)

azurea. 'Grandiflora'-4' with azure blue flowers late August- Sept. 'Eveline'-Tall spikes of light pink with dark Calyces. Very tidy habit.

Lycoides x greggi 'Ultra Violet'-Dark green foliage with violet-pink flowers that bloom from late July to frost. 18-20"

memorosa 'Blue Hill'- Compact, true blue flowers that bloom all summer.

n. 'Caradonna'- Violet - purple flowers with glowing purple stems. Great with geraniums and purple heucheras.

n. 'Dear Anja'- Medium violet blue flowers with white lips..Named by Piet Ouldolf for his wife. 3'

n. 'May Night'- 12-14" deep purple spikes, June-July, again in Sept.

verticillata 'Purple Rain'- Lush, smoky purple spikes form June to Sept. Cut back for rebloom. 2'

SANGUISORBA-Japanese Bottle Brush (Sun, PS)

variegata 'Dali Marble' 4' tall plant loaded with blue toothed leaves edged in white. Maroon bottlebrush flowers in summer. Likes moisture.

SEDUM -Live Forever, Stonecrop (Sun)

'Autumn Fire'-Improved 'Autumn Joy' white border around each leaf.

cauciculum 'Lidakense'-Blue foliage turns to reddish bronze in fall. Rose pink flowers in Aug-Sept.

'John Creech'-2" tall with pink flowers in June. Great ground cover.

kamtschaticum- green scalloped leaves with orange-yellow flowers in June, 4-5"

'Matrona'- Gray-green edged in pink with large pink flowers in Aug. 18-24"

repestre 'Angelina'- Golden yellow, needle-like foliage with yellow flowers. 3-5"

sieboldii- flaring stems of gray-blue leaves, blooms in Oct.

s. 'Fuldaglut'- Bright bronze-red foliage all season. Rose -red flowers in summer.

'Vera Jamison'- 12-15" purple tinged foliage with pink flowers, late summer.

Xenox- Green-purple foliage in spring changes to dark burgundy. Rosy-pink flowers in late summer. 12-14"

SEMPERVIVUM- Hens and Chicks (Sun)

Specialty Blend -Rich mix of sempervivums and Jovibarbas.

SISYRINCHIUM- Blue-eyed Grass (S, PS)

angustifolium 'Lucerne'-Bright blue star shaped flowers with gold centers rise above fine iris-like foliage from May- July. 8-10"

STACHYS -Lamb's Ear (Sun)

'Helene von Stein'- Large, woolly serrated silver leaves.

'Silver Carpet'- Silver-gray foliage mat, does not flower.

STOKESIA- Stoke's Aster (Sun)

laevis 'Blue Danube'-2-3" true blue flowers from June to August. 18"

l. 'Peachie's Pick'-Clear blue flowers with compact habit and incredible

flowering. 1-2'

'Golden Sword'-Rich yellow leaves with green margins.

TEUCRIUM- Germander (S, PS)

canadensis- low bush with pink flowers in late spring, glossy foliage. Good for mini-hedge or knot garden.

THALICTRUM- Meadow Rue (S, PS)

aquilegifolium 'Thundercloud' -deep purple double florets over lovely blue-green leaves. 3-4'
'Elin' - 8-10' mahogany-red stalks with sprays of bi-colored cream and lavender flowers in Aug.-Sept.
'Evening Star'- Foliage similar to epimedium with tufts of lavender flowers from spring through summer. NEW
ichangense- Very delicate and beautiful fluffy pink flowers above 4-6" foliage. All summer.
kiusianum- 2' mat of light lavender blooms. Long blooming.
rochebrunianum 'Lavender Mist'- 6-8" lavender sprays, late summer.
sp. 'Black Stocking' -Nearly black stems, contrasting green leaves and fluffy lavender flowers.

TIARELLA -Foamflower (PS, SH)

cordifolia 'Delaware'-Deep purple markings and dark red stems with deep pink blooms. NEW
c. 'Octoraro'- Running form with mauve-pink flowers in spring
c. Susquehanna'-Dark purple, almost black veining and pure white blooms. NEW.
'Iron Butterfly'-Large fragrant white flowers in spring over deeply lobed foliage with maroon markings.
'Spring Symphony'- Spikes of pale pink, slightly fragrant flowers. 6-10"

TRADESCANTIA- Spiderwort (S, PS)

x 'Sweet Kate'- Clear yellow foliage and dark purple foliage

TRICYRTIS -Toad Lily (PS,SH)

'Samurai'-Green leaves tieh creamy gold edges and small, lily-lie flowers with dark purple spotting and yellow throats.

VERNONIA-Ironweed (Sun)

fasciculata-3' stems with violet-blue flowers, Aug- Sept
leettermanii 'Iron Butterfly'-Native with masses of deep violet-purple flowers from late summer -fall. 30-36" tall with needle-like foliage

VERONICA -Speedwell (S,PS)

austriaca 'Crater Lake Blue'- 15", gentian blue flowers June - August
longifolia 'Eveline'-Unique red-violet spikes from June to August. 15-18" NEW
'Foxy Lady'- Bicolor, bright fuchsia pink and white flowers and a long bloom time. 12-15" NEW
s. 'Royal Candles'- Deep blue purple spikes. Compact.
'Waterperry Blue'- Light blue flowers in early summer on a spreading plant. 4-6"

VERONICASTRUM- Culver's Physic (Sun)

v. 'Lavender Towers'-Elegant pale purple spires. 4-5'

VIOLA- Tufted Pansy (S, PS)

cornuta 'Purple Showers'- Large purple flowers spring thru fall, 6-8" . Deadhead for continuous bloom.

WALDSTEINIA -Barren Strawberry (S, PS)

ternata - Strawberry-like leaves, yellow flowers in good groundcover.

YUCCA -Adam's Needle (Sun)

FERNS

ADIATUM- Maiden Hair (PS,SH)

pedatum 24-30", graceful horseshoe fronds

ATHYRIUM - (PS,SH)

x'Branford Rambler'-Some of the variegation of the painted fern with drought tolerance of the lady fern. A nice groundcover. 2' tall and 3' wide.
x. 'Ghost'- Stunning silver-white fronds aging to green.
felix- femina -Fine, lacy fronds, likes moisture.
f.f. 'Lady-in-Red'- Lady fern with sultry red stems.
f.f. 'Victoriae'- Spectacular fern with fronds up to 3'
nipponicum'Pictum'-Japanese painted fern. Silver, red, and green fronds. 8-20"
n. 'Regal Red'-Dark red interior oneach frond.

CHEILANTHES lanosa- Hairy Lip Fern is soft-textured with fuzzy green leaflets.

It spreads slowly and makes a beautiful and drought-tolerant groundcover. 6-16"

DENNSTAEDTIA punctilobula- Hay scented fern has delicate green fronds that

smell like freshly mown hay when crushed. In fall fronds turn coppery orange. Good groundcover. 15-24"

DRYOPTERIS - (PS,SH)

erythrosora 'Brilliance'- Young fronds are bright orange and tend to hold their color longer through the season.
goldiana-(Goldie's Fern) Largest native wood fern, topping out at 4'.

MATTEUCCIA -Ostrich (PS,SH)

struthiopteris- 3-5' erect fronds, vase shaped.
'Jumbo'-Very dramatic fern with huge crown and enormous fronds.

OSMUNDA (PS,SH)

cinnamomea- Best in wet areas, but adaptable.
regalis- Royal Fern. 2-5' graceful fronds form massive clumps.

POLYSTICHUM- (PS, SH)

acrostichoides - **Christmas fern**. Evergreen frond

THELYPTERIS- Marsh Fern (PS,SH)

decursive-pinnata-Japanese Beech fern. Clump forming with tidy habit. 1-2'

HERBS

ALLIUM-Chives (Sun)

azureum-corn-flower blue with dark mid-veins.June.
cernuum- Light pink to lavender, late summer.
'Ivory Queen'- **short white**
'Mt. Everest'-4" **white**
h. 'Purple Sensation'-4" globes of reddish-purple
senescens 'Glaucum'-Cork-screwed shoots with pink flowers in August.
Sphaerocephalon- Drumstick Allium. Crimson-purple egg shaped flowers in July.

OREGANUM- Oregano (Sun)

onites 'Aureum'- Gold marjoram

laevigatum 'Herrenhausen'- 24-30" stems with dark leaves and dark pink flowers all summer.

THYME

creeping lemon- Lemony -scented green leaves.

praecox 'Albus'- Emerald green mats with white flowers, May-June.

p. 'Pink Chintz'- Long blooming salmon-pink flowers in summer.

p. 'Purple Carpet'- Flat, fine foliage, flame flowers.

VERBENA (Sun)

bonariensis- Bright lavender blue flowers on upright wands. Tender, but self seeds. 3-4'

VINES

AKEBIA-Chocolate Vine -Twining vine with wine-red fragrant flowers.

CAMPSIS - Trumpet Creeper (S, PS)

r. x tagliabuana 'Madame Galen'- salmon-red flowers July-Aug. 16-20'

CLEMATIS (S,PS)

Numerous varieties

HUMULUS-Hops

'Aureus'-Climbing vine with yellow foliage

HYDRANGEA (S, PS, SH)

anomala petiolaris- vigorous grower; white blossoms in June. Tolerates heavy shade.

LONICERA x heckrottii 'Gold Flame'- fragrant coral-pink buds with yellow centers all summer; bluish-green foliage

SCHIZOPHRAGMA -False Hydrangea Vine (PS)

'Moonlight'-Pewter blue leaves with green and pink veining. Big white flowers in July.

'Roseum'- Soft pink sepals from June-July.

WISTERIA (S, PS)

frutescens 'Amethyst Falls'- Deep lavender/blue , fragrant flowers in late April. Reblooms throughout summer. 20'

ORNAMENTAL GRASSES

ACORUS Sweet Flag

gramineus 'Minimus Aureus' -Ground cover spreading by rhizomes; bright gold color. Needs moisture but not standing water. 4"

CALAMAGROSTIS - Feather Reed Grass (Sun)

arundinacea var. brachytricha- Performs well in shade as well as sun. Pink feathery plumes in fall. 3-4'

x. acutiflora 'Avalanche'- Variegated form with silvery plumes in summer. 3-4'

x. acutiflora 'Eldorado'- Variegated form with narrow green blades and gold center margins. 4-5'

x. acutiflora 'Karl Foerster'- 4-5', upright habit, showy feathery plumes, June-Sept.

CAREX -Sedge (S, PS)

giganteus -Giant Silver Grass. 8-12' plumes, silvery spikes Oct.-Jan.

sinensis 'Adagio'- 4', thin silver foliage, pink inflorescence turning white.
 s. **'Cabaret'**- 6-8' variegated grass with broad free blades, wide cream stripes. \$7.50 (2g.), \$12.00 (3g.)
 s. **'Dixieland'**- Dwarf form of 'Variegata'. 4-5'
 s. **'Gold Bar'**- Upright, green leaves heavily banded with creamy yellow stripes. Slow grower. 3'
 s. **'Gracillimus'**- Maiden Grass. 5-8', slender blades with silver plumes. Stays nice all winter.
 s. **'Graziella'**- 5-6', slender foliage, huge silver-white flowers in Aug.
 s. **'Kaskade'**-5-7', summer blooming, cascading pink flowers.
'Little Kitten'-Petite Maiden grass, 15". Deep bronze in late summer.
 s. **'Little Zebra'**- Vivid yellow banding on a 3-4' plant with attractive reddish plumes. Unlikely to flop or reseed.
 s. **'Malepartus'**- large flowers that start pink-purple then turn silver. Good fall color.
 s. **'Morning Light'**- Variegated Maiden Grass. Subtle narrow variegation, creamy plumes, late.
 s. **'Sarabande'**- 4-5' with fine textured silvery foliage.
 s. **'Silverfeil'**- Variegated Japanese Silver Grass. 5-7' variegated blades.
 s. **'Strictus'**- Porcupine Grass. 6' alternating yellow-gold stripes, more upright than Zebrinus.
 s. **'Yaku Jima'**-Flowers in Aug. 3-4'.
'Zebrinus'- Zebra Grass. 4-6', green and yellow alternating stripes.

MOLINIA- Purple Moor Grass (Sun)

caerula ssp. arundinacea 'Skyracer'- 7-8' yellow-gold seed heads in early fall over shorter clumps of gray-green foliage.

PANICUM -Switch Grass (Sun)

v. **'Cheyenne Sky'**- 3' vase-shaped with wine-red foliage in last summer. **NEW**
 v. **'Dallas Blues'**-6' powder blue foliage with football shaped, purple-blue seed heads turn rich orange in fall.
 v. **'Heavy Metal'**- 3-4', upright metallic blue, bright yellow fall color.
 v. **'Northwind'**- Green-tan inflorescence, blue-green foliage. 6'
 v. **'Prairie Fire'**-Improved form of 'Shenandoah' with darker red foliage developing in June. 3'
 v. **'Prairie Sky'**- Bluest, hardiest, strongest!
 v. **'Ruby Ribbons'**- Metallic blue foliage with red overtones in summer, turning redder as fall approaches.
 v. **'Shenandoah'**-Bright red foliage appears in June with red flowers in summer. 3'

PENNISETUM - Fountain Grass. (Sun)

alopecuroides- 3-4' with huge tufts through fall and winter.
 a. **'Cassian'**- Good fall color, 30-36"
 a. **'Foxtrot'**- Beautiful 4" long bottle-brush plumes and stunning golden fall color. 4-5"
 a. **'Hameln'**- 2-3' tufts, enormous tassles.
 a. **'Little Bunny'**- 1', great for the rock garden.
 a. **'Moudry'**- Black Fountain Grass. 2-3' later blooming dark brown or black plumes. Good for cutting.
 a. **'Piglet'**-Shorter than 'Hameln' with fine textured blades and fluffy, tan flower heads. 18" **NEW**
 o. **'Karley Rose'**- Deep green blades with smokey rose- purple flowers from late May to frost. 3'

SACCHARUM- Northern Pampas Grass (Sun)

Excellent specimen or screen. Six foot foliage turns bronze to red in fall. 10' with plume

SCHIZACHRIUM -Little Blue Stem - (Sun)

scoparium 'The Blues'- native warm season grass

for poor, dry soils. 3'. In fall, deep burgundy-red mixes with the blue color.

s. **MinnBlueA (Blue Heaven)**- Taller, more upright form with dark blue to burgundy foliage during summer, turning purple, violet, then red in fall. 4'

SPOROBOLIS heterolepsis- Prairie Dropseed (Sun)

2-3' Clumping grass with delicate open panicles. Turns orange in the fall and creamy white in winter. thrives in sunny, dry locations.

SHRUBS AND TREES

Acer pal. dis. 'Inaba Shidare', 'Tamukeyama'-Weeping Japanese Maple

Aesculus parvifolia (Bottlebrush buckeye)

Arctostaphylos uva-ursi (Bearberry)

Evergreen ground cover, red berries in winter. Likes poor soil.

Azaleas-assorted colors

Berberis (Barberry)

'Aurea'-Bright yellow new growth

'Aurea Nana'- Compact, yellow

'Bagatelle'- compact, 12-15" with deep, dark red foliage.

'Concorde'- Dwarf ball with velvety, deep purple foliage.

'Crimson Pygmy'-Dwarf red leaf

'Royal Burgundy'- Rich burgundy foliage, compact.

'Rosy Glow'-

upright, rosy red foliage

Betula n. 'Heritage'-(River birch) Resistant to borer and leaf miners.

p. Renaissance Reflection'- Very resistant to birch borer

Buddleia-(Butterfly Bush)

'Adonis Blue' Deep blue fragrant flowers on

compact plant. 4-5'

'Black Knight'- blackish -purple

'Guinevere'-Black-purple, fragrant flowers and

dark green leaves. Improved 'Black Knight'

'Lo and Behold Blue Chip-2-3', compact, blue flowers from mid-July to frost. No deadheading necessary.

'Lo and Behold 'Purple Haze'-same habit but with purple flowers. **NEW Miss**

Molly'-sangria-red flowers on 5' planta **NEW'**

'Potter's Purple'- Dark purple

'Purple Emperor' Mauve-purple flowers on a

compact plant. 4-5'

'White Ball'-Dwarf

Buxus 'Green Velvet' -Compact boxwood, 3'

Buxus 'Winter Gem'- Looser habit, 5'.

'Wintergreen'- Similar to Wintergem.

Callicarpa D. 'Issai- Beautyberry

Pinkish blooms followed by metallic purple berries.

Sun, Part shade.

Caryopteris (Bluebeard, Blue mist spiraea)

'Dark Knight'- deep blue flowers, Aug;

'Petit Bleu'-Tight compact growth with deep

blue flowers and dark green, glossy foliage.

'Summer Sorbet'- Gold variegated leaves in spring and periwinkle

blue flowers in August. 3'

'Sunshine Blue' - Bright sunny yellow foliage with rich amethyst blue flowers.

Cercis canadensis (Redbud) - Multi-stem form

'Covey'-Weeping form.

'Forest Pansy'- Red-purple foliage in spring changing to bronze by fall. 20'

Chamaecyparis'- 'Crispii'-Bright yellow, pyramidal.

Gold Thread'- Dwarf cypress with bright gold foliage.

Clethra alnifolia- Summersweet'

'Hummingbird'-Compact with white flowers. 4'

Clethra a. 'Ruby Spice'- pink, non-fading.

Cornus alba 'Elegantissima'- Variegated Dogwood

Cornus alba 'Ivory Halo'- Compact form.

Cornus alternifolia- (Pagoda Dogwood)-Native with horizontal, wide

spreading branches and creamy white flowers in July. 15-20'

Cornus kousa

Cotinus c. **'Golden Spirit'**-Brilliant yellow foliage with orange fall color. 10-15'

'Young Lady'- Green leaved smokebush that blooms at a young age. 10-15'

New

'Royal Purple'-Smokebush with maroon foliage.

Cotoneaster adpressus **'Little Gem'**-Dwarf with mounding form. 1-2'

Deutzia

gracillis **'Chardonnay Pearls'**-Lime-yellow foliage and white , fragrant flowers in spring.

g. **'Nikko'**-White flowers on low growing plant; \ beautiful fall color

Enkianthus campanulatus-12' with small white flowers. Red fall foliage.

Euonymus alatus Compacta- Dwarf Burning Bush.

Forsythia x intermedia **'Lynwood Gold'**

Fothergilla

'Blue Shadow'- 5-6' with honey scented white flowers and striking blue foliage. **NEW**

'Mt. Airy'-White flowers in late spring; brilliant red fall foliage.

Hamamelis x intermedia **'Arnold's Promise'**-Yellow flowering witchhazel.

Heptacodium (Seven-Son Flower)

Large, arching shrub with shiny leaves, exfoliating bark and fragrant creamy-white flowers, late summer. Persistent, showy reddish-pink sepals late fall. **New!**

Hibiscus- **'Lavender Chiffon'**, **White Chiffon**, **Blue Satin'**, - Rose of Sharon

Tree Form-**'Ardens'**-Double purple.

Hydrangea

arborescens **'Annabelle'** -Huge snowball flowers

a. **'White Dome'**-Huge, dome shaped, lacy white blooms.

m. **'Endless Summer'**- Mop-head that blooms on old and new growth all summer. Pink blooms in alkaline soil, blue in acid. 3-5'

m. **Endless Summer Blushing Bride'**- Up to 6" balls of pure white blooms. 3-4'

m. **'Twist 'n Shout'**- lace cap

p. **'Limelight'**- Lime-green flowers in mid-late summer.

p. **'Pinky Winky'**- Strong stems with pink flowers.

p. **'Quick Fire'**- Early June blooming pink.

p. **'Tardiva'**-white turning pink, late summer

quercifolia **'Pee Wee'**- Dwarf Oak leaf , white flowers, beautiful fall color.

q. **'Snow Queen**

Starlight **'Let's Dance'**-First lacecap (pink or blue) to bloom on new growth. 2-3'

Tree Hydrangeas-**'Pee Gee'**, **'Limelight'**, **'Quickfire'**, **'Tardiva'**

Hypericum k. **'Sunburst'**-Bright yellow flowers all summer. 2-3'

x **Sunny Boulevard'**

Ilex glabra **'Densa'**-Inkberry

Native. Good alternative to boxwood.

Ilex m. **'Blue Prince, Princess, Blue Boy , Girl'**-Blue Hollies

Ilex verticillata **'Apollo'**- Male holly, pollinator

Ilex v. **'Winter Red'**- Abundant red berries; deciduous.

Itea virginica- Sweetspire

'Henry's Garnet'-White fragrant flowers in June; gorgeous scarlet fall color. 3-4'

'Little Henry'- Same attributes but 2-3'

Juniperus c. **'Old Gold'**-Gold foliage, 3-4'

Juniperus h. **'Blue Chip'**-Silver blue, prostrate habit

procumbens **'Nana'**-Lime green, dense, spreading.

Old Gold-yellow foliage

'Spartan'- Mint green, columnar. Fast grower.

squamata **'Blue Star'**-Rich blue rounded mound.

Kerria japonica- **'Golden Guinea'** yellow single flowers in May and sporadically throughout summer.

Lezpedeza(Bush Clover)

'Yaku Jima'- Violet flowers on compact plant.

. **'Gibraltar'**- 5' arching stems with rose-purple flowers, late summer

'Pink Fountains'- 4-5' with clusters of deep pink flowers

Microbiota decussata (Russian cypress)

Juniper-like ground cover for shade.

Philadelphus x **'Snowbelle'**-Compact, double white mock orange

Physocarpus (Nine Bark)

Coppertina'- Light-pink flowers, copper-colored foliage, red fall color. 8'

'Summerwine'-burgundy foliage, white flowers. 5-6'

Picea abies nidiform- Bird's Nest Spruce

Picea glauca **'Conica'**- Dwarf Alberta Spruce

Picea mariana **'Ericoides'**- Low spreading blue nest spruce

Pieris

'Brouwer's Beauty'-Compact, deep red buds.

'Mt. Fire'- White flowers, red new growth

taiwanensis **'Snowdrift'**-

Pinus mugo-Mugho pine

Potentilla **'Abbotswood'**- white

'Dakota Sun Spot'- yellow

'Gold Finger'- yellow

Prunus cistena- Purple Leaf Sand Cherry-Purple-red leaves all season with white flowers in spring. 8-10'

Prunus cerasifera **'Krauter Vesuvius'**-Purple leaf, flowering plum

serrulata **'Kwanzan'**-Double pink, flowering cherry

x **'Snow Fountain'**-White , weeping cherry

x. **'Yoshino'**-Pink buds opening to white, fragrant.

Rhododendron

'English Roseum'-Light rose

'PJM'-Early, lavender pink

Salix **'Hakuro Nishiki'**-Dappled Willow

Variegated foliage. Shear to retain.

Sambucus- Elderberry

'Black Lace'-Wispy , thread-like , dark purple foliage, pink flowers in early June. 5-6'

'Sutherland Gold'-Coppery red new growth matures to a golden yellow.

Spiraea **'Alpina'**- dwarf, pink.12"

'Double Play'-Blue-green foliage emerges purple-red. Pink flowers. 2'

'Gold Mound'- Bright yellow foliage

'Lemon Princess'-Brighter than 'Gold Mound'

'Little Princess'-pink flowers in summer.2'

'Magic Carpet'- keeps gold foliage through the summer. 18"

'Neon Flash'- Vivid red flowers, purple -green new growth.3'

prunifolia-Bridalwreath. Double white. 5-9'

'Snow Mound'-Dense, rounded plant with masses of white flowers. 3-4'

x **'Renaissance'**- Bridal Veil has cascading habit.

Stephanandra incisa **'Crispa'**- Woody ground cover, likes shade

Syringa(Lilac)

'Sugar Plum Fairy'-Compact with rosy-lilac flowers. 4-5'

'Tinkerbelle'-Wine colored buds open to pink. Spicy fragrance. 5-6'

meyeri **'Palibin'**- Dwarf 4-5' , fragrant, single ,lilac blooms.

patula **'Miss Kim'**- 6-7', fragrant, lilac.**reticulata** **'Ivory Silk'**- Tree lilac with creamy white flowers. 20-25'.

v. **'Krasavitsa Moskwy'**- Beauty of Moscow, pale pink.

v. **'Mme. LeMoine'**-French, double white.'

v. **'Senation'**-Single purple florets with pure white border. 8-10'

v. **'Yankee Doodle'**-Dark purple, single flowers. 8'

x **hyacintha** **'Pocahontas'**- Early blooming purp

Vaccinium (Blueberry)

Viburnum

burkwoodii-Glossy foliage and fragrant white flowers.

carlesii-Korean spice bush. 6-8

plicatum tomentosum **'Mariessi'**-8-10', horizontal branching, white flowers.

p.t. **'Shasta'**- Similar to 'Mariessi' but 6'

p. t. **'Summer Snowflake'**-Continuous bloom with red fruit in fall. 5-6'

sargentii **'Onondaga'**- Dark maroon leaves in spring contrast with white flowers.

Vitex (Chaste Tree)-Large shrub with showy blue spikes in summer.

Weigela

'Ruby Queen'- Rose-pink flowers and burgundy foliage. 3'

'Midnight Wine'- Low mounding dwarf version.

'Wine and Roses'- Dark burgundy foliage and deep rosy-pink flowers.

ROSES
